

Moorland Safari 2024

Join us for a spectacular walk along one of the Forest of Bowland's most stunning valleys and discover some of the incredible wildlife that makes their home here in the spring and summer.

We will be looking out for rare upland birds including hen harrier, ring ouzel, and merlin. We also hope to spot other moorland specialities such as stonechat, meadow pipit, curlew, and have the chance of seeing green hairstreak butterflies.

Dates

19 April, 6 May, 25 May, and 14 June
9.30am-2.00pm
